Enduring quality. Superior craftsmanship. Timeless style ■ Sinks and faucets designed to last the test of time ■ Precision crafted with outstanding materials to give your home the finishing touch you desire ■ With the choices and options you need to spark your imagination and beautifully complement your décor.

## the elkay difference

We are the leader in stainless steel sinks for many reasons ■ Beyond beautiful styling and unique features, our sinks are designed, formed, finished and protected with uncompromising quality ■ We invite you to compare and discover for yourself the Elkay difference ■ Visit us at [elkayusa.com](http://elkayusa.com)

### beauty for a lifetime

The beauty you see is more than just skin deep. We begin with ultra-thick 14, 16 or 18 gauge stainless steel to resist cracking, chipping and denting. Each sink is then polished by hand to achieve the soft, lustrous shine of our trademark Lustertone® finish. Unlike “shiny” sinks that eventually show scratches with normal use and cleaning, an Elkay sink is designed with an appearance that actually looks even better over time.

In keeping with our policy of continuing product improvement, Elkay reserves the right to change product specifications without notice.

### formed for function

Our sinks are designed for life – and for your lifestyle. Through impressive engineering, our sinks have extra deep bowls and straight side walls with tight radius corners. This will not only allow larger pots and pans to sit flat for easier filling and cleaning, but also allows even more capacity in the same amount of space for more dishes and glasses.

Elkay

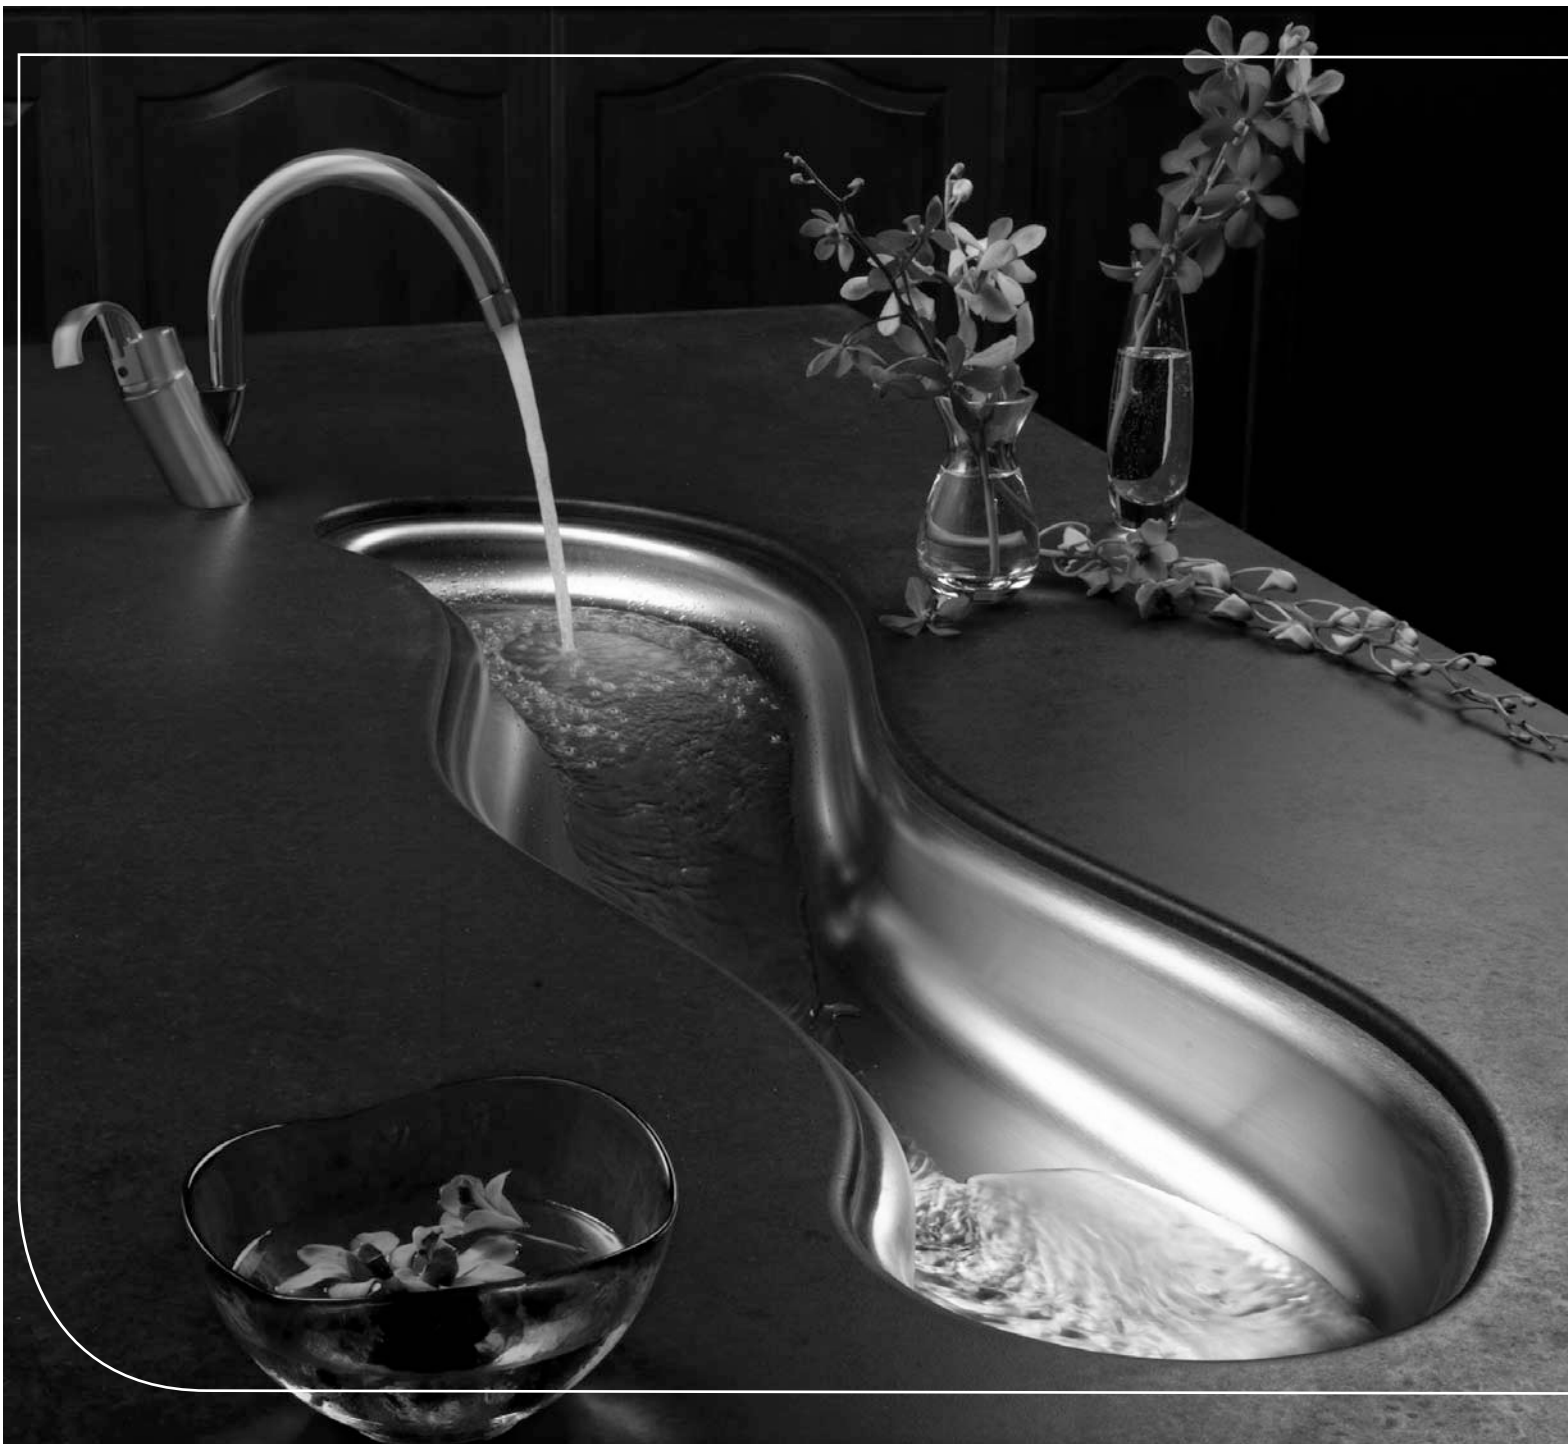

Competitor

noticeably quiet, noticeably different  
Compare our sinks to any other brand and you'll hear the difference. Exclusive Sound Guard® protection combines a sprayed-on undercoating and sound deadening pads to absorb sound, reduce condensation and help retain the desired sink water temperature.

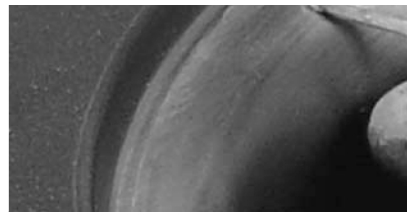

**ELKAY®**

mystic®

Gently flowing design makes a dramatic statement – ideal for entertaining or as a family prep-work area

■ Offers 48 or 25 flowing inches of innovative style and convenience ■ Made from 16 gauge, Type 304 stainless steel ■ Lustertone® hand-crafted satin finish maintains its beautiful luster after years of use ■ Fully undercoated for superior sound dampening ■ Undermount installation

## the elkay story

1920

The Elkay Manufacturing Company began as a vision of Leopold Katz and his son Louis on the north side of Chicago back in 1920. Founded with the goals of manufacturing the highest quality sinks and providing the best service possible, the company began to thrive. As time went by, we set the pace with new products, designs and innovations that continue to lead the industry. ►

1940

1950

Quality. Integrity. Trust.

These words represent how we do business. We are committed to world class customer service, continuous improvement and employee involvement. In fact, quality is the personal responsibility of each of our employees. And we continually strive to develop and enhance their capabilities through training and education. ►

Fortune Magazine Ad  
October, 1939

**ELKAY**  
timeless

Today with more than 4,000 employees worldwide, we are the largest manufacturer of stainless steel sinks, as well as a name well known for high quality faucets, water coolers and drinking fountains.

The same goals that began three generations ago continue today. As a family owned company, we're dedicated to your  
◀ complete satisfaction.

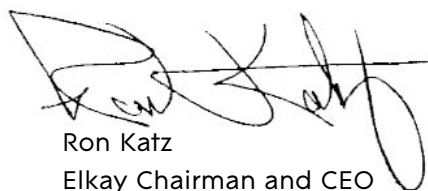

1980

Above all else, our word is our bond. We honor our commitments with integrity to our customers, employees, suppliers and the communities in which we live and work.

"From our family to yours,  
thank you for choosing  
the quality of Elkay."

  
Ron Katz  
Elkay Chairman and CEO

#### pricing

Prices and product specifications are subject to change without notice. Faucets, waste fittings, bubblers, glass fillers and accessories may be combined with Elkay sinks to earn shipping weight benefits. Standard terms are 2% 10th prox. All Federal, State or Local Taxes, when applicable, will be added.

#### electronic data interchange (EDI)

Elkay supports EDI transactions. Please contact Elkay's EDI Coordinator at (630) 574-8484 to discuss the list of current transaction set versions and your implementation requirements.

#### limited lifetime sink warranty

Elkay warrants to the original purchaser of an Elkay stainless steel sink that Elkay will, at its option, replace or repair, without charge, such product if it fails due to a manufacturing defect for a lifetime of normal residential use. Product replacement does not include transportation cost or labor installation cost. This warranty covers only stainless steel self-rimming drop-in sinks installed in a conventional countertop surface and stainless steel undermount sinks installed in a conventional solid surface countertop and applies to residential installations only. Elkay reserves the right to examine product in question and its installation prior to replacement.

#### limited lifetime functional and finish warranty

Elkay warrants to the original consumer purchaser that the Elkay faucet purchased will be free from defects in material and workmanship for as long as the original consumer purchaser owns the faucet. Elkay will, at its option, supply replacement parts (or if no longer available a comparable product) if the faucet fails due to a defect in material or workmanship. This warranty does not apply in the event of product surface damage caused by abuse, misuse or improper care and maintenance. This warranty excludes damage caused by harsh abrasive cleaners and/or materials. This warranty excludes all industrial, commercial and business use, whose purchasers are hereby extended a limited lifetime on mechanical parts and 5 years on finish. Product replacement does not include transportation cost or labor installation cost. Elkay reserves the right to examine product in question and its installation prior to replacement. Waste fittings and accessories are not warranted on sinks.

#### waste fittings and accessories are not warranted

#### other warranty conditions on sinks

This warranty applies to sinks purchased after March 1st 2001 as shown on the purchaser's dated receipt. For sinks purchased prior to March 1st 2001, the applicable warranty at that time will be in effect. Our warranty does not cover product failure or damage caused by abusive treatment, misuse, environmental factors, normal wear including dents and scratches, improper care and cleaning, use of aggressive and abrasive cleaners, damage due to handling or failure to follow the recommended procedures for installation, care and maintenance as detailed in the installation and care guide provided with every sink. This warranty is extended only to the original consumer purchaser of the product. This warranty does not cover shipping costs, labor costs, or any other charges for such items as installation or replacement of the sink, diagnosis or replacement of any faucet or component part, or any other expense or loss.

All incidental or consequential damages are specifically excluded. No additional warranties, express or implied are given, including but not limited to, any implied warranty of merchantability or fitness for a particular purpose.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

#### TO OBTAIN SERVICE UNDER WARRANTY

1. Write to: Elkay Manufacturing Company, Attention: Consumer Services, 2222 Camden Court, Oak Brook, IL 60523
2. Include a letter containing the following information:
  - a. Date of purchase and installation
  - b. Proof of Purchase (copy of original dated invoice)
  - c. Description of nature of defect
  - d. Model number or description of model and/or component part if possible.

#### overpack

For a nominal charge, the sink will be repackaged to assist in reducing damage that occurs during shipment. It is available for all sinks with an overall dimension of 43 x 22 or less and must be requested when an order is submitted.
